Board ENDs

1. Barton Governance Manual on website: The Board of Trustees of Barton County Community College adopted the Carver Policy Governance® model on November 21, 1996. It serves as the foundation for all Board practices/policies.
2. Handout - END definition and ENDs.
    a. ENDs: The board defines which human needs are to be met, for whom and at what cost. Written with a long-term perspective, these mission-related policies embody the board's long-range vision. ENDs determination is the pivotal duty of governance. The ENDs of an organization are the reasons for its existence. It is obvious that careful, wise selection of ENDs is the highest calling of trustee leadership.
3. 4 level - Maturity Scale (Friday January 15th) from HLC – Level 1 Reacting, Level 2 Systematic, Level 3 Aligned, Level 4 Integrated.
4. Each person's input will be counted separately
