Title: Board END 8

Office of Origin: President

### **Board END 8 – Contingency Planning**

In fulfilling its educational mission, Barton Community College attempts to make optimal use of its resources. Optimum Utilization may call for the adjustment of operational procedures such as a reduction or discontinuance of a program or service; reallocation of resources as a result of changing educational priorities; shifting enrollment patterns; lack of funds, and/or the requirements of legally imposed mandates. The President will make these recommendations to the Board of Trustees, based on the College's mission of emphasizing academic, vocational-technical, and cultural enrichment learning opportunities; coupled with the need for maintaining program integrity, financial viability, and responsiveness to internal and external college constituencies.
