Office of Origin: Vice President of Student Services

Contact(s):

- Title IX Coordinator

1 in 4 women and 1 in 7 men will experience domestic violence in their lifetime.

About 1 in 10 children will be sexually abused before their 18th birthday.

As statistics continue to increase, the important work we are doing is more needed than ever. **We are on a mission** to educate our communities, support and empower victims to overcome, and to change these statistics through awareness and advocacy!

In addition to connecting victims and their families with other community resources, we also operate two programs for victims of sexual and domestic violence.

Child Advocacy Center

Domestic & Sexual Violence Center

Donating funds and resources is a great way to support the important work we are doing. But there are also several ways you can get involved by attending our fundraisers, volunteering with us, or hosting a supply drive!
