### Our Mission

Our mission is to fill the unmet needs in the community by mobilizing the time and talents of our area volunteers.

Giving back as a volunteer increases self-confidence and provides a natural sense of accomplishment. It also provides a sense of pride and identity.

Getting involved in volunteer work has benefits that can last a lifetime - not only for those who you are helping, but for the volunteer as well.

[Volunteers In Action receives Points of Light Service Enterprise Certification](#)
