VOICES FOR CHANGE

Welcome

In Voices for Change, we'll discuss topics that are likely to impact each of us during our time in college. Research says that people learn better when they take time to reflect on what they're learning, so we've designed this course to give you time to apply the concepts to your own life and consider the effects of certain behaviors on you and those around you.

Coming Up

Why we're here

A brief survey

Bystander intervention

Module Goals

Know when and how to safely intervene in challenging situations you may encounter.

Understand how your personal biases influence how you relate to others around you.

Explore topics that are likely to impact each of us.
