Kansas Core Outcomes Groups

Faculty led discipline-specific groups (Kansas Core Outcomes Groups) meet annually or as necessary, to confirm or articulate learning outcomes and discuss courses for inclusion in the Kansas Systemwide Transfer process. Each course has **core outcomes**, which are observable and measurable actions that students will be able to perform upon successful completion of a course. Additional information about work and duties of faculty at KCOGs is available in the [Overview of Transfer and Articulation Council and Kansas Core Outcomes Groups](#).

Kansas Core Outcomes Groups Reports are developed annually and include reports from each discipline group.
