COMMUNITY COLLEGE

Associate in Science, General Education Requirements

[< Back to General Education Courses](#)

The Associate in Science Degree prepares you for transfer to universities with advanced standing. The courses are comparable to lower division level courses at Kansas Regents colleges and universities.

The Associate in Science Degree will be awarded upon completion of the planned program of not less than 60 college credit hours with a cumulative grade point average of 2.0 or overall "C." To be eligible for graduation, students must have completed at least fifteen (15) credit hours from Barton County Community College. Students who remain continuously enrolled from time of entry to application for graduation will be held to the catalog requirements in effect when they declare their program of study, unless a later catalog is adopted. "Continuous enrollment" refers to annual fall and spring semester enrollment (or equivalent) of at least one credit bearing course per semester. Should a student's enrollment

interrupted, they will be held to the guidelines and requirements of the catalog of record at the time of program re-entry.

This guideline does not apply to students with documented leave of absence justification or members of the military involved in deployment operations. Changes to prerequisites and/or curriculum which occur for purposes beyond graduation – e.g. regulatory and legislative updates, third party accreditation or other certification bodies requirements, increased skill demand from industry, employment or transfer requirement changes, or recommended and/or mandated changes from the Kansas Board of Regents or other such entities are not subject to these catalog requirements.

Prior coursework may be evaluated to determine currency of content before including the credit hours toward a certificate or degree. Developmental courses cannot be used to fulfill degree requirements.

A minimum distribution of credits and general education course requirements shall be:

ZONE 1: FOUNDATION COURSES

Distribution Requirement: 18 credit hours total

Sector A: Written and Oral Communication

ENGL 1204 English Composition I or

ENGL 1209 English Composition I w/ Review ENGL 1206 English Composition II
