Transfer Credit Procedures

Transfer Credit Evaluation

All transfer credit will be equated on the semester-hour system. Lower division (freshman and sophomore level) credits earned with a D grade or higher will be calculated in the students' cumulative grade point average (GPA) and articulated as equivalent Barton courses. Quality points and grade points will be transferred from other colleges and universities and will be averaged into the cumulative GPA. Transfer credit entered on any student's Barton academic history cannot be removed. Check your MyBarton Portal regularly to review your transfer course credit, especially if you have credit coming from multiple sources.
