Barton Community College Student Success Plan

HLC Student Success Academy
Spring 2022

Excerpt: Recommendations, pages 16-17, Items II and III.

Recommendations, page 16, Item II.

II.   Organize and schedule Annual Data Review of Student Success Metrics and communicate with institutional stakeholders

To maintain systematic and ongoing analysis of identified success metrics to be reviewed as well as timeline for annual review. Annual Data Review will include a process and schedule for future engagement and infrastructure inventories.

To communicate the results of the annual data review with the institutional stakeholders including administration, faculty, staff, students, and the community at large with the expectation of use in individual department and program review processes and to increase overall campus awareness of student success.

Action Steps:
AY2023: Completion of Student Success Data Dictionary

AY2024: Completion of communication plan including scheduled updates to the Student Success webpage and KPI reports.

AY2025: Application of success metrics to formalized processes for success programming and initiatives, student services, and instructional reviews.

Recommendations, page 16-17, Item III.

III.   Collaborate with Institutional Effectiveness and Outcomes Assessment Committee to host annual Data Summit

To support institutional understanding of data analytics and application to programming, initiatives, services, and instruction,

and to inform faculty, staff, and administration of the state of student success at Barton including data from annual data reviews and analysis of previous
year's review processes.
