Established in August 2021, the Academic Development Center (ADC) supports students in their development of academic skills and provides a space for supported study. Although the ADC is located in room L-136 on the Great Bend Campus, all services are provided remotely to students regardless of campus affiliation or personal location. Through student seminars and academic coaching, the ADC assists students with time management, note taking skills, academic resource development, group study, and test preparation. During academic coaching, academic mentors may also assist students as they navigate the business of being a student by connecting them with additional support services such as tutoring, advisement, mental health counselling, or financial aid. The ADC also partners with faculty to create supplemental instruction through events like Science Fridays! and Thursday MathHour! Additionally, the ADC staff can be available to provide pop-up seminars during scheduled courses or faculty absences.
