Scholarship Universe houses all of our internal Barton Scholarships and external privately funded scholarships in one location. All applications are electronic and safe for students to apply to.

Barton Bound Scholarships

The Barton Bound Scholarship would be targeted to students graduating from high school in May (for fall awarding) and December (for spring awarding). The award would be automatic upon completion of an Admissions Application and based upon either their high school GPA or ACT score whichever would provide the higher award. The scholarship would be automatically renewed annually based upon the spring Barton GPA. The student must be enrolled full-time (12+ hours). The student does not have to be seeking a degree or certificate at Barton but must be a Kansas resident. As with all other Barton tuition scholarships, for online classes the tuition amount covered is equal to the same amount as that for face to face classes.
