Barton Bound Scholarships

2023 Graduates of Kansas High Schools can submit an application for the Barton Bound academic scholarship as early as January 1, 2023. Once a student is admitted to Barton, they will find the application in their MyBarton portal by going to the Scholarship Universe link on the Financial Aid card.

The application deadline is August 1 (for students graduating in May) and January 1 (for students graduating in December). The scholarship is based on the student's cumulative GPA at the end of their 7th semester in high school and automatically renews each year that the student attends Barton, for up to six semesters.

The student must also be enrolled full-time (12+ hours), submit a 2023-24 FAFSA application and an official high school transcript after graduating. The student does not have to be seeking a degree or certificate at Barton but must be a Kansas resident. As with all other Barton tuition scholarships, for online classes the tuition amount covered is equal to the same amount as that for face to face classes.
