From the Athletic Director

Summer has definitely arrived early this year. I just hope that we don't see as many 100 degree days as we did last summer. Probably wishful thinking seems how dry/hot it has been already with the "official" start of the summer season just underway. I hope all you farmers out there had a bountiful harvest. The good news is that the wheat is in the bin and we finally got some much needed moisture. It sure does help the looks of our outdoor athletic facilities when we get some rain as well.

It is my intention to get out and see some of you folks in July. One of my goals from the outset of me accepting this position was to gauge the level of enthusiasm for Barton Athletics and ask you the supporters how we can make your experience as a fan/investor better. I have a vision for improvement(s) of the athletic department here at the college. Many of those improvements are upgrades to our existing facilities which will in turn improve our ability to recruit the finest athletes from across the country to come and compete for Barton.

With another year of sports seasons coming to an end it was appropriate that we honored those teams & individuals at our annual Athletic Banquet sponsored by the Cougar Booster Club. There were many major accomplishments for most all of our teams and several individual honors for student athletes at the conference/national level both athletically and academically (pg. 3). The annual banquet is a great opportunity to gather all of our athletes in one place to celebrate another great year of achievement. I invite you all to attend this event next May. It will really open your mind to just how celebrated our institution is in the arena of athletics across the nation.

Our coaches continue to finalize schedules for next season and as you know the process of recruiting never ends. Most teams are nearing completion of rounding their rosters (pg. 2). Every coach has been challenged to improve upon their overall success from 2011-2012 this upcoming season. It will certainly be exciting to see another year of Cougar Sports unfold.

Lastly, it is always important to recognize the academic achievement of our student athletes nationally (pg. 4). Several Barton athletes were selected for NJCAA national honors. I am proud of all of our student athletes who succeed both on the court/field and in the classroom.

Summer camps & leagues continue to be in progress throughout each week. Hundreds of area athletes choose Barton CC camps/leagues as a source of competition and enjoyment during the summer months. It is our hope that each participant has a positive experience while enjoying the facilities here at the college.

Until next time, be proud! The Cougar Nation is "Takin it Back"!

Respectfully Yours,

Trevor Rolfs

Barton's Tennis team is expected to vie for national tennis academic honors to be released later this month. July's issue will feature how Barton teams stack up academically.

Barton Student-Athletes receive national academic honors

The Barton Community College Athletic Department announces seven sophomore student-athletes received national academic honors for the 2011-12 season. Leading the list of honorees is women's basketball player Devan Boeger whose 4.0 grade point average earned her the NJCAA Pinnacle Award for Academic Excellence. The Great Bend native also earned Co-Outstanding Graduate honors at Barton's graduation ceremony in May. The Cougars also placed two on the second tier of academic honors as men's track team member Tyler Rathke and women's tennis player Karisa Kaiser each earned the NJCAA Superior Academic Achievement honors. Rathke, from Hays, Ks, finished with a 3.87 grade point average while Kaiser, from Hoisington, Ks, and Co-Student Ambassador of the Year finished with a 3.85. Earning NJCAA Exemplary Academic Achievement honors were softball players Kristin Schartz (3.76) from Larned, Kansas, Tessa Sterling (3.70) of McPherson, Ks, and Co-Outstanding Graduate Anna Voss (3.6) from Hays, Ks. Women's golf player Kathleen Duncan from Lakin, Ks rounds out the academic honors as her 3.64 grade point average earned Exemplary Academic Achievement honors as well.
