

Sunday

April 21, 2013

11am - 1:30pm

Fundraiser!

Skylar Hill, a 2011 graduate of Little River HS, could use our community's support. He is currently a Barton Community College student and baseball player. He has signed a letter of intent to play baseball with Missouri Southern State in Joplin for the upcoming school year.

Skylar was recently, at the young age of 20, diagnosed with cancer. To offset medical expenses, a benefit luncheon is being held in his honor. A free will donation taco and dessert bar is planned for this Sunday, April 21st, from 11am-1:30pm in the Little River High School commons area. If you would like to help in any way, please contact Robyn Galyon 897-7509 or Audrey Farmer 285-5137.

We are asking Little River and the surrounding communities to rally around this young man. Come show your love and support as Skylar begins this journey to strike out cancer!
