

Question 1

*

For Accreditation with the Higher Learning Commission (HLC), Barton must address "Core Component 5.D" copied below. We are seeking examples to include in the Accreditation report demonstrating that Barton reviews its processes/operations and then works to improve them. The projects or process improvements do not have to be large, campus wide activities. They can also include changes that reduced steps or improved quality in your area. Please review the survey. If you have any questions, email Charles Perkins at perkinsc@bartonccc.edu.

5.D - Core Component 5.D

The institution works systematically to improve its performance.

1. The institution develops and documents evidence of performance in its operations.
2. The institution learns from its operational experience and applies that learning to improve its institutional effectiveness, capabilities, and sustainability, overall and in its component parts.
