

Athletic Mentoring Updates Spring 2019

Stephanie Joiner

joiners@bartonccc.edu

x238

Historical Context

- Athletic Mentoring began at Barton in the Fall of 2014
- New position at Barton, modeled after Academic Support Services at 4 year institutions
- Job Description:
 1. Serve as a role model and a resource person for student-athletes in balancing participation in athletics and in academics.
 2. Maintain Communication network between coaches, athletes, and faculty.
 3. Monitor academic progress of student-athletes.
 4. Provide support and guidance to student-athletes not achieving academic success (i.e. help student develop goals, assist with time management, refer to tutorial services...).
 5. Assist student-athletes in becoming responsible for own academic success.

Who Are Our Student Athletes?

All student-athletes and support-service students within the athletic department qualify for Athletic Mentoring Support
