

Barton Colleagues,

November 2019 is our third annual Academics Month where we get to share and highlight various academic programs. A big thank you to the planning team consisting of Rick Abel, Amanda Alliband, Danika Bielek, Linda McCaffery, Julie Munden, Brandon Steinert, and Angel Morgan.

This year we are highlighting four areas: Instrumental Music, ESOL, HPER and History/Geography. We've got various promotions through stories and radio along with a few special events during the month. Here's a few to put on your calendars.

Prairie Ink Launch Party

Friday, November 1st from noon to 2 PM in the Cavanaugh Room

It's a come-and-go event, however, there will be a "program" between 12:30 and 1:30 with readings from the 2019 edition and a special guest. Please come join us! This is the 10th edition of the magazine!

History of Dance

Wednesday, November 13th at 7 PM in "Studio 34" (Housing Units 3 & 4)

Join us for a presentation by students in the History of Dance class. The event is free and open to the public.

Alice in Wonderland

Student Production on Friday, November 15th at 6:30 PM and Saturday, November 16th at 2 PM in the Planetarium

Join us for the Barton Student Theatre Production of "Alice in Wonderland". It's great for children of all ages!

Cohen Center event highlighting Kansas history

Wednesday, November 20th from noon to 1 PM in the Learning Resource Center

We have a special presentation by Megan Rohleder, the senior archivist from the Kansas Historical Society. She will be sharing about the importance of the collection that we have on our campus. This event is open to the public.

Student Recital

Wednesday, November 20th at 4 PM in the Dorothy Moses Chapel

Join us for instrumental and vocal performances by students of the Barton Music Department.

Instrumental Concert "Night at the Movies"

Thursday, November 21st at 7 PM in the Fine Arts Auditorium

Instrumental music concert featuring a night of music from popular films with movie clips. A short Q&A reception begins at 7 PM with free popcorn! Concert begins at 7:30 PM.

Jack Kilby STEM Day

Monday, November 25th

The event will kick off with a keynote presentation by [Dr. Arthur Benjamin](#) "the Mathemagician" at 9 AM in the Auditorium. [This is a public event and we encourage anyone to attend.](#) [The high school](#) students will then choose from several fascinating hands-on mini-sessions, demonstrations, competitions, and experiments that they are sure to find enjoyable, exciting and educational in various areas of science and technology.
