

Survey results from Professional Conference Day Strategic Planning Presentation

- Good and Helpful
- Had relevant information that I think everyone needs to know so yes, need to keep.
- Good information. Great to see the overall picture as to why as a Coordinator I did the wish list project previously
- Good Information
- Helpful
- Good. Beneficial for keeping faculty/staff informed
- Interesting and worth repeating
- So far so good unless something new comes up
- Great Session. I definitely feel this type of information should be ongoing
- Helpful, especially the flow chart, yes, again or yearly event
- It opened my eyes to administrative headaches and frustrations.
- Interesting, a little too much information
