The “Barton Difference” initiative promotes annual student recognition of faculty and staff that have made a difference in their experience here at Barton. The typical student at Barton takes a mix of classes including face to face, hybrid and online. Most all faculty/staff whether at Barton County Campus, Grand View, Fort Riley, or remote locations also teach/support a mix of classes from face to face, hybrid and online. These student nominations reflect all styles of instructional/staff interaction with students. Below is just a sample of the wonderful nominations which were received this year:

### Staff: Todd Moore

– Nominated by: Scott Crist

Todd has been my boss for my final semester here at Barton. Todd has been a great boss and a great role model for me. Todd is someone that I could go to about anything. Todd is the best boss that I have worked for. He loves to have fun, but he knows when to get serious and get down to business. Todd is a workaholic. He is constantly in his office not only getting stuff done for the sports teams here at Barton, but also for me. Thanks for everything Todd.

### Staff: Heather Dombroski

- Nominated by: Christine Sellers

Heather does a wonderful job. She helps so many people. In addition to being the secretary for the entire nursing department, she assists students applying for the nursing program as well as all of the current nursing students. She does an incredible job, and I hope that she will be recognized for it. Getting into nursing school is not an easy task, and her help meant the world to me.

**Faculty: Rick Bealer**

– Nominated by: Lindsey Rojas

Mr. Bealer has not only been my instructor for the past two years, but he has also become a good friend. He has held his head high and put his students first, even with the struggles and losses he has had to endure recently. Students can learn from him both in and outside the classroom. He is more than willing to give you advice and share his life experiences. His lessons have made me a better mother, student and friend, and I'm sure that all his students would agree that he is a strong person and teacher and has impacted the lives of many.

**Faculty: Roni Wertz**

– Nominated by: Jessica Ferguson

Roni has been a great support to me this year here. She has checked up on me this semester to make sure that I am doing well. She keeps encouraging me to succeed in life. Roni has been one of the best teachers that I had in all of my schooling.
