

2021 BARTON DIFFERENCE

Barton graduating students were asked to name employees who made a difference in their lives.

Emily Harper

*Academic Advisor
Fort Riley Campus*

She walked me through the program, helped me out with registering for courses and made sure that I got the right book for the course. I could not have made it without her.

- Nominated by Kossi Awude

Angela Campbell

*Instructor
Fort Riley Campus*

When I first started my journey, I didn't know how much psychology really meant to me or how much of a passion I had for it. Ms. Campbell made me love psychology and everything that surrounds it. She opened my eyes to new possibilities for furthering my education. I truly believe she deserves this award.

- Nominated by Jeamelah Samedy

Kathy Boeger

*Instructor/Coordinator of Business and Accounting
Barton County Campus*

Professor Boeger has not only been an instructor for four accounting courses that I have taken over the past year, but she is also my advisor. She has always gone above and beyond to help me with any questions or concerns that I may have had. She is an excellent teacher who truly cares about her students and deserves to be recognized for her efforts. I am not sure I would have survived this past year without her positive encouragement. I am so thankful for everything she has done for me.
