

## **INTERLOCAL AGREEMENT WITH THE CITY OF GREAT BEND**

**Detail:** At its monthly student session on December 6, the Board reviewed a proposed interlocal agreement with the City of Great Bend. The agreement would permit the continuance of the rebate of taxes that the College would have collected on new development. The rebate would only apply to new construction and not existing structures on the tax rolls. This means that the College would forego receiving tax dollars, as specified in the agreement, in order to encourage city-wide development. In that the College would not be rebating taxes on existing valuation but only on valuation that would occur under the agreement, it would not forego any existing dollars it currently receives. In short, the College would be continuing its support in helping the community to invest in itself to grow its future tax base. As specified in the rebate scale, future taxes would be collected on the development this action would encourage.

**Recommendation:** It is recommended, through approval of the consent agenda, that the Board of Trustees authorize the College President to sign the attached interlocal agreement with the City of Great Bend.

## **Interlocal Agreement**

This interlocal agreement (hereinafter referred to as "Agreement"), effective January 1, 2007, by and between the City of Great Bend, Kansas; a duly organized municipal corporation hereinafter referred to as "City" and Barton County Community College hereinafter referred to as "BCCC".
