

BUS BIDS

In keeping with the College's 3-year transportation plan to increase the number of buses and decrease dependence on the 15-passenger vans, Mark Dean received the following bids for a 46-passenger bus:

Kansas Truck (Bluebird) \$139,257

Midwest Bus Sales (Thomas) \$135,045

Allied Bus Sales (International) \$122,015

At the monthly Board meeting on December 12, Mark will be recommending that the Board accepts the low bid from Allied Bus Sales of \$122,015.
