Graphics

#### Module 2: Vocabulary

Context Clues  
Word Parts

#### Module 3: Comprehension

Topic  
Stated Main Idea  
Implied Main Idea  
Supporting Details

#### Module 4: Critical Reading

Thought Patterns  
Transitions

#### Module 5: Critical Thinking

Fact/Opinion  
Inferences  
Conclusions

Lexile level reading passages are assigned in each module. Students begin with passages at their reading level and increase their reading level as they progress through the modules.

The course is now designed to work not only on reading skills, but also on reading level. Both are crucial to helping students become college-ready.
