

# CERTIFIED NURSE AIDE CLASS

Those seeking a credential as a Certified Nursing Assistant (CNA) have the chance to enroll in a course at NO CHARGE thanks to a generous anonymous donor and a collaboration between Barton Community College and Good Samaritan of Ellsworth.

CNAs assist with tasks including taking vitals, dressing, eating, toileting, bathing and personal hygiene. Becoming a CNA is a chance to begin a long-term career in healthcare and opens the door for a wide variety of work settings. CNAs make a difference in the lives of patients and residents they serve.

The class is 90 hours in length and is held over twelve weeks. Class is held face-to-face.

Ten students will be selected for the class, with additional students added to a waitlist.
