

Barton County Community College has partnered with Verified Credentials to manage your program requirements including a background check, health forms and immunization records, and proof of health insurance.

To begin, access [QualifiedFirst](#)

How It Works:

1. Enter code for the program you will be attending located above the “Get Started!” button on the right side of the page

**Medical Laboratory Technician
(includes Phlebotomy)
VWRCP-87276**

**Phlebotomy Program Only
FFMMG-36644**

2. Create an account
3. Enter all required information*
4. Provide supporting documentation**
5. Track your progress
6. Information will automatically be shared with your school
7. If you are taking phleb as an MLT student please use the MLT code

*more documentation required for MLT students than phlebotomy students

**acceptable forms: [Essential Requirements](#), [Student Physical Form](#), [Immunization Form](#), [Health Record Form](#)

***A background check, TB skin test within 6 months of the start of class, and proof of current Health Insurance are all required for **both** Phlebotomy and MLT students.

Insurance and military cards are not accepted proof of current eligibility

- Go to the website listed on the card
- Register your information to become a site user
- Access to your insurance information will be available
- Current eligibility and those covered under the policy can be located

Individuals covered by the military can obtain same information by going to the website www.tricare.mil

The complete health forms, immunization records, and CPR certification are only required for MLT students.
