## **Barton Community College Study for the ATI TEAS Test**

---

The ATI TEAS assesses the academic preparedness of entry-level nursing students in Reading, Math, Science, and English and Language Usage. An ATI TEAS® Study Manual and online practice assessments are available for the students to use for preparation and review <https://www.atitesting.com/teas/teas-prep>. Make sure you study for the ATI TEAS test. If you took a different version of the TEAS test you will have to take the ATI TEAS test.

When taking the ATI TEAS, students will demonstrate reading skills in paragraph comprehension, passage comprehension, and inferences and conclusions. The math section will measure their knowledge of whole numbers, metric conversion, fractions and decimals, algebraic application, percentages, ratio and proportion, and data interpretation. Science covers scientific reasoning, life science, chemical science, physical science, human body science, and general science. And in the English section, students will tackle punctuation, grammar, sentence structure, contextual words, and spelling.
