

CAREER TECHNICAL EDUCATION

SENATE BILL #155 LEARNING OPPORTUNITIES

“Tuition waived for high school students thanks to new state legislation”

The Kansas Senate passed Senate Bill 155 in May 2012 and edited in April 2015. This bill authorizes the state of Kansas to pay tuition charges for tiered Career Technical courses that are tied to Career Technical programs and have supported sufficient enrollment in the past fiscal year. Courses designated as SB155-eligible will be available to high school students at no cost except textbook and program fees (if applicable).

The following career technical education courses, both online and onsite, qualify under the bill’s framework. This means students can take advantage of classes with NO TUITION CHARGED.
Textbooks and program fees may apply.

EXAMPLE: Certified Nurse Aide

NAID1229-Nursing Home Aide – 5 credit hours

➤ **Non-High School Student Payment**

\$500 (Tuition/Fees), \$80 (Program Fees) and
\$102.01 (Approximate Textbook Fees)

➤ **High School Student with SB#155 Support**

\$80(Program Fees) and \$102 (Approximate Textbooks Fees)

A SAVINGS OF \$500!!
