BARTonline

Thanks to the Excel in CTE Initiative (SB155), Kansas high school students take specific career technical courses tuition-free. Courses on the Excel in CTE list are available to high school sophomores, juniors, and seniors at no cost except textbook and materials fees (if applicable).

The Exel in CTE list is set by the Kansas Board of Regents and is subject to change with little or no notice. Barton Community College does not decide which classes are tuition free.

BARTonline SESSIONS
