Step 5: Once you are logged in to NSLDS, click the Download button, confirm your selection, and save the file to your desktop or flash drive. Remember that this contains personal information, so delete any files when you are finished – especially if you are using a public computer.

(NOTE: Do not change the name of the file "MyStudentData.txt" as SALT is looking for that exact file name.)

Got your loan data?	Nice! Add it to your SALT account by clicking the "Browse" button and selecting your file.
