Dependent

Your application was selected for review in a process called "Verification." In this process, Barton will be comparing information from your application with signed copies of your and your parent(s)' 2014 Federal IRS tax return transcripts, or with other financial documents. When you and your parents signed the FAFSA application, you agreed to provide information that would verify the accuracy of the completed form, including the submission of U.S. tax returns or other documents confirming income information. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically.

Complete this verification form and submit to Barton's Financial Aid Office as soon as possible, so that your financial aid processing won't be delayed.
