Federal Pell Calculations

- Federal Pell Grant will only disburse for the courses that the student is currently attending.
- Federal Pell Grant funds are calculated based on the student's current enrollment status.
 - If a student adds courses within a semester that move the student into a higher enrollment level (ex: half-time to full-time), then their Federal Pell will be increased.
 - If a student withdraws from courses at any point in the semester, then the student's Federal Pell may be decreased and the student will be responsible for repaying a portion of their Federal Pell grant.

Number of Hours	Enrollment Status	Approximate Portion of Term Pell
12 + hours	Full-time	100%
9 – 11 hours	Three Quarter	75%
6 – 8 hours	Half-time	50%
1 – 5 hours	Less Than Half Time	25%

Your EFC will determine if you are eligible to receive Federal Pell grant with an enrollment status of less than full-time.

- Federal Student Loans will disburse once a student is enrolled at least half-time (6 credit hours) during a semester and attending at least one course.
- First-time loan borrowers will receive their first disbursement of a student loan 30 days after the start of the semester.

Federal Student Loans

- Students must be seeking an eligible degree or certificate at Barton to receive federal financial aid.
- Link to list of Barton's Programs of Study-- <http://bartonccc.edu/programs>. Programs not eligible for federal aid are identified.
- Make sure to work with your advisor. Federal aid cannot be paid for classes that do not count towards your Barton degree/certificate even if they would transfer for a degree or certificate at another school.
- You may only receive federal aid for 150% of your program length.
- Courses that are self-paced (where students can work at their own pace) are not eligible for federal financial aid.
