Whether you are a new or returning student here at Barton, we want to help you be as prepared as possible!

Below is a list of tips to help you get the Fall semester started off right. As you read over these tips, keep in mind that the more effort you put forth, the more confident you may feel as a college student.

- Determine your education and career goals, then meet with an Academic Advisor to discuss those goals
- Apply for scholarships and grants
- Take required assessment exams
- Create a schedule/routine for balancing school, life, and work
- Stay on top of deadlines and due dates
- Build connections and a support system
- Ask for help when needed
