## Origin of Labor Day/Holiday Closure

Observed the first Monday in September, Labor Day is an annual celebration of the social and economic achievements of American workers. The holiday is rooted in the late nineteenth century, when labor activists pushed for a federal holiday to recognize the many contributions workers have made to America's strength, prosperity, and well-being. By 1894, 23 more states had adopted the holiday, and on June 28, 1894, President Grover Cleveland signed a law making the first Monday in September of each year a national holiday.

**\*The Barton - Fort Riley office will be closed on Friday, September 1st and Monday, September 4th in observance of the Labor Day holiday\***

Since 1984 Barton Community College has been, and will continue to be, a proud supporter of Fort Riley and the surrounding area. The Wounded Warrior Golf Scramble is an opportunity to not only support our soldiers but thank them for their dedicated service and sacrifice to our country.

The 15th Annual Wounded Warrior Golf Scramble is scheduled to begin at 9:30am on Saturday, September 16th at Rolling Meadows Golf Course in Junction City. The point of contact for this event is Coach Doug Kaiser (620-786-1171 or [kaiserd@bartonccc.edu](mailto:kaiserd@bartonccc.edu)).
