Annual Thank-A-Thon

On November 14, 2016, six Barton student ambassadors gathered in the Foundation office to make calls for our annual Thank-A-Thon. This event, which began in 2010, was established as a way to reach out to donors during the Thanksgiving season and simply say thanks for all they have done. These one-on-one phone calls give us the opportunity to acknowledge the support and loyalty of our many donors. Whether cash donations for scholarships and program enhancements, or hours given volunteering to assist us with our fund raising efforts – they are the life blood of the foundation and we would not enjoy any level of success without each and every one of them.

Learning Celebration

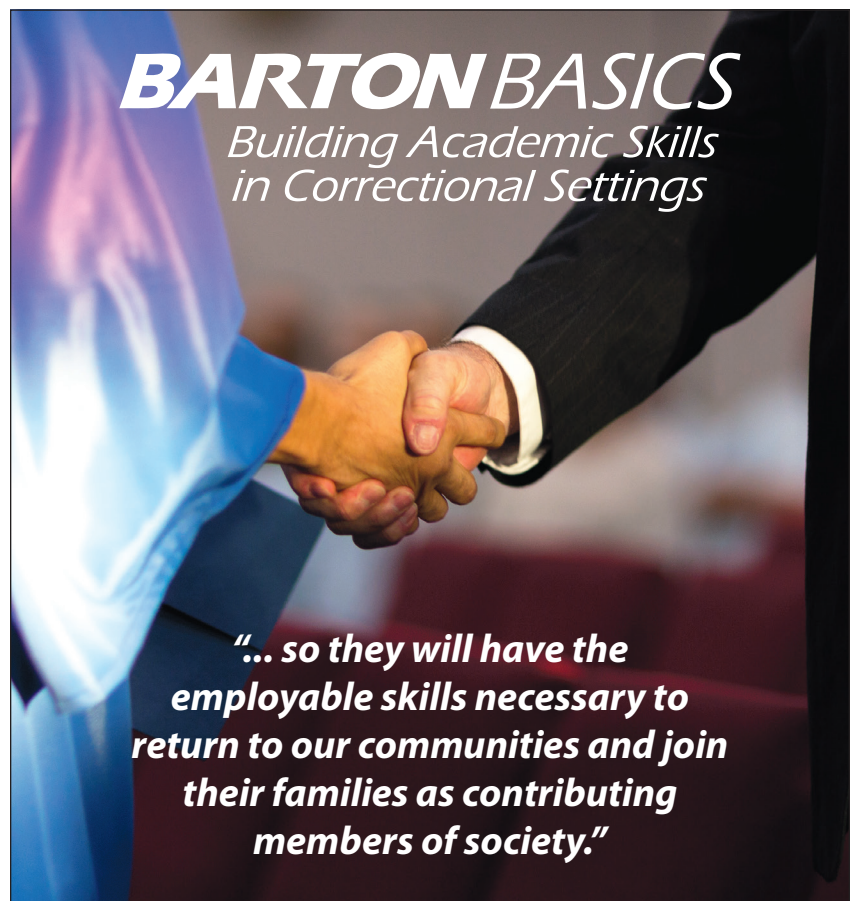

On October 4, 2016 President Carl Heilman, and members of the administration, faculty and staff of Barton Community College were welcomed by Warden Martin Sauers to the Learning Celebration in the Spiritual Life Center of the Ellsworth Correctional Facility.

The audience is completely engaged as Stephen Barbee, Program Coordinator at Metro Lutheran Ministry in Kansas City, Missouri addresses this year's recipients of certificates at the Ellsworth Correctional Facility.

Over 140 inmates were recognized for completing the necessary course work to receive Kansas High School Diplomas, 18 & 32-hour recognition awards, as well as Certificates in Introductory Craft Skills, OSLHA 10 Safety, Manufacturing Skills, Welding, Certiport IC3 Digital Literacy, Microsoft Word and Work Ready Certificates.

The Barton Community College Foundation was proud to present 11 young men with scholarships to continue their education through the BASICS (Building Academic Skills in Correctional Settings) Program. These scholarships were made possible through the generosity of donors whose vision and foresight appreciate the value of educating these students so they will have the employable skills necessary to return to our communities and join their families as contributing members of society.

Dorothy M. Morrison Foundation Fund

Dorothy M. Morrison

The Barton Community College Foundation is the recipient of a grant awarded by the Dorothy M. Morrison Foundation. This grant will commit \$100,000 to be held in an unrestricted account with the Barton Community College Foundation. The structure of the account will allow future donations to be added to the fund. These funds shall not be designated for any particular campus project; however, as needs arise, the Barton Community College Foundation shall make written application to the Dorothy M. Morrison Foundation for the approval of the use of these funds. The Morrison Foundation shall be actively involved in determining how the funds are spent. The Dorothy M. Morrison Foundation will evaluate each project proposal according to its grant application guidelines and determine if it fits within the philosophy, purpose and priorities of the Morrison Foundation.

Sister Mary Ann Klein Endowment Funds CNA/CMA Scholarships

The Barton Community College Foundation received a grant from the Sister Mary Ann Klein Nursing Endowment established at the Golden Belt Community Foundation to provide scholarships for CNA/CMA students at Barton.

The endowment was established to provide funding/support for the recruitment, retention, and training of health professionals and health educators, including but not limited to, scholarships, equipment, continuing education, and incentives, with a preference for programs that are offered through local agencies, community colleges, and medical facilities.

When asked if such funds were needed at this time and would be beneficial to the nursing program, Sara Hoff, Nursing Remediation Adult Health Care Program Coordinator, stated "There is a huge need for funding of CNA/CMA classes. Each of these are 5.0 credit hour

courses and federal financial aid is not available. This is one of the first things I tell students wanting to take the course so they can look into some of the options we have for funding or to start saving." Students will apply through the Barton Foundation to receive this scholarship assistance.

Masquerade Ball

Images of the Barton County Arts Council Artist Masquerade Ball held on September 2, 2016 in the Shafer Art Gallery to kick off the Friends and Acquaintances Community Arts Festival. Underwritten by the Bill McKown Memorial Fund / Golden Belt Community Foundation.

The Shafer Gallery Art Cart

Bring the Gallery to Your CLASSROOM

Shafer Gallery Art Cart

- Gallery staff facilitator
- Story telling and interactive activity
- A mini Gallery exhibit on wheels
- Self-contained mobile art lab with all materials needed for complete in-class project
- Presentations customized to fit your desired outcomes

The dream of taking art into the classroom to expose young students to the creative process is finally a reality for the Shafer Art Gallery thanks to a generous donation from the Glenn and Elaine Mull Donor Advised Fund at the Golden Belt Community Foundation. Their gift will not only allow for the purchase of the portable Art Cart, but annual gifts will also provide all of the needed supplies.

Thanks to the support of a very generous Foundation donor, the Shafer Gallery received funds to purchase an 80" flat screen TV for the educational kiosk. This much needed addition will be utilized to enhance presentations during exhibits as well as for art history seminars and workshops.

Coleen Cape, Executive Director of the Barton Community College Foundation presents Senior Day scholarship winners Emma Cape, Great Bend and Gage Skelton, Larned with their certificates. Each year the Foundation sponsors two \$500 scholarships to students who attend Senior Day and enroll in Barton the following fall.

At the November meeting of the Barton Community College Foundation Board of Directors, auditors Danielle Hollingshead and Vickie Dreiling, representing Adams, Brown, Beran and Ball reported that once again the BCC Foundation received an unqualified audit. The audit covered the fiscal year from July 1, 2015 through June 30, 2016.

An auditor's opinion of unqualified represents the highest opinion possible, meaning the audited statements conform to Generally Accepted Accounting Principles and represent the foundation and its donor in a fiscally and ethical manner at all times.

*Merry Christmas and Happy New Year
from
Michelle, Donna and Coleen*

There is no better time than now, this very Christmas season for us to reflect on all the gifts of the past year. Each gift, large and small, is priceless to us for it symbolizes the faith and trust of our donors. We wish for you this season of love and light; the joy you have brought to others, the unconditional love of a compassionate heart and the peace given to those whose outstretched arms of caring shine a light on the beauty of the spirit lying within.
