# Silver Cougar Club SPECIAL EVENTS

As many of you know, on August 1st I assumed the position of Executive Director of Institutional Advancement. From August through the end of the year, the office duties were re-evaluated and the decision was made to not fill my previous position. As a result, the duties of the Coordinator of Fund Raising and Special Events were reassigned and divided among the three of us. Donna and Michelle absorbed the lion's share and took over those responsibilities as of January 1st.

There was one area that was affected more than the others – the planning and execution of out-of-town trips for the Silver Cougar Club. As you can imagine the reorganization of three of us doing the work of four has put restraints on our time and energy. In addition, over the last year or so the interest in these trips has dropped off considerably – our last couple of trips were not full and we even had to cancel outings for a lack of interest. The research, planning, and ultimately time out of the office for our out-of-town trips was determined to be one area we would need to cut back on in order to give full attention to other fund raising responsibilities of our office. I know you all really loved the new bus, but the cost to operate that bus is over twice the expense of the older buses, which truly are no longer conducive to comfortable travel.

The attention and administration of our endowment, enhancement, and scholarship programs must take priority.

We will still, from time to time, plan special events either on campus or in town and of course we will continue to host our annual picnic. All other benefits of your Silver Cougar Club membership will remain the same.

This is not a decision we took lightly, but one that we are certain you will understand.

# CLASS

## ART and CULTURE of the RENAISSANCE

Dave Barnes, Director of the Shafer Art Gallery will share his knowledge and love of art during this eight-week class. This material will be presented in an informal and relaxed atmosphere, and will explore the art and ideas of that foundational period of western culture known as the renaissance. You will learn about renaissance innovators and discuss how their works reflect the important religious and philosophical ideas of their day and ours. From Giotto to Michelangelo. If it's Tuesday - it must be the renaissance.
