Contact Us

Barton's Hazardous Materials and Emergency Services operation at Grandview Plaza was selected by OSHA to officially join Saint Louis University and National Safety Council-Nebraska as Midwest OSHA Education Centers Consortium, MOEC.

Contact Brandon Green at (785) 238-8550 or greenb@bartonccc.edu to learn more about opportunities available to you!

Announcements

Barton Community College is now an OSHA Education Center and a member of the Midwest OSHA Education Centers Consortium, MOEC.

We not only offer OSHA numbered courses but provide high-quality professional safety and occupational health training tailored to your organization's needs. Please see the Courses section to learn more about our training options.
