Title: Change in Leadership

Office of Origin: Vice President of Instruction

### **Vice President of Instruction and Student Services**

Note: After 5 ½ years of consistent leadership, the Vice President of Instruction and Student Services resigned to assume a new role at another college. Soon after, Barton hired another Vice President; she remained in the position less than 1 ½ years, and there wasn't sufficient time to initiate or complete many of the long-range initiatives. The President immediately named the Dean of Workforce Training and Community Education as the Acting Vice President on January 30, 2017. She served in the dual role until July 1, 2017, when she was appointed Vice President of Instruction. \*
