24/7 Call-A-Doc: At your service anytime, anywhere.

Illness can strike at any time, whether you're home or out of town. 24/7 Call-A-Doc quickly connects you to a national network of licensed U.S.-based doctors – from the comfort of your own house, office or even hotel room – at your convenience, 24 hours a day, 7 days a week. And because the consultation is free, you'll avoid costly urgent care or ER visit bills.

Care is there when you need it.

Our highly qualified doctors can help you feel better fast by treating:

- ✓ Ear infections
- ✓ Cold and flu symptoms
- ✓ Urinary tract infections
- ✓ Pink eye (conjunctivitis)
- ✓ Allergies and sinus problems
- ✓ Respiratory infections
- ✓ Acne and skin rashes
- ✓ Plus so much more!

When can I use 24/7 Call-A-Doc?

24/7 Call-A-Doc is for nonemergency issues when you can't get in to see your primary care physician.* Give us a call or click when:

- ✓ You need care right now
- ✓ You're thinking about visiting the ER or urgent care for a nonemergency health concern
- ✓ You need a short-term prescription refill
- ✓ You're out of town on business or pleasure

Keep your primary care physician in the loop.

With your consent, 24/7 Call-A-Doc will provide a record of your consultation to your PCP. Just ask!

*24/7 CALL-A-DOC does not take the place of your regular primary care physician 24/7 CALL-A-DOC is not an insurance provider. 24/7 CALL-A-DOC does not supersede your association with your primary physician. You must submit the entire electronic medical record (EMR) before your consultation. 24/7 CALL-A-DOC does not guarantee a prescription will be written. 24/7 CALL-A-DOC does not prescribe controlled substances or any other drugs with a high risk for abuse.
