

**BARTON COUNTY COMMUNITY COLLEGE
INFORMATION ABOUT YOUR PRESCRIPTION DRUG PLAN**

If I don't already have one will I receive an ID card? Prior to your effective date you will receive a new Benefit Management, LLC health plan card. There is an ELIXIR logo on this card. Show this card to your pharmacist when you get a prescription filled.

Where can I fill my prescriptions?

Retail Pharmacies. To find out which pharmacies participate, you can log onto our website at www.elixirsolutions.com Register using the ELIXIR information on your ID card and click on pharmacy locator. Our website includes the ability to search for participating pharmacies, research drug alternatives, and print a history of your prescription claims. (Please note that due to the HIPAA law, members 18 years of age and older must each register separately.) Please call ELIXIR for any assistance in this process at 800-771-4648.

Participating Pharmacy		Preferred Pharmacy Network	Walgreens, CVS & Target Pharmacies	Retail 90 & Mail Service
Maximum Supply Allowed		up to 34-Days	up to 34-Days	90-Days
Generic Co-Pay		\$10	\$20	\$10
Brand Co-Pay	Formulary Tier I	20% up to \$60	35% up to \$120	20% up to \$150
	Non-Formulary Tier II	20% up to \$120	35% up to \$240	20% up to \$300
Specialty Drugs Limited to a 30-Day supply Must use ELIXIR Best-in-Class "BIC" Specialty Pharmacy		20% up to \$300	Not Available	Not Available
Annual RX Out-of-Pocket Maximum		\$6,200 per Individual, or \$12,400 per Family beginning November 1 st . Once you have met this amount per Plan Year, you will pay \$0 Co-Pay until the end of the Plan Year, October 31 st .		

Will I pay more if I choose to fill a Brand drug when a Generic equivalent is available? Yes. If you have a Brand prescription filled when a Generic equivalent is available, you will pay the Brand Copay, plus the difference in cost between the Brand and the Generic drug. This Plan encourages the use of Generic drugs because in most cases Generics are just as effective as Brands and much less expensive. Please ask your physician and your pharmacist to prescribe and dispense Generic drugs whenever possible.

What is Step Therapy:

Step Therapy is a program designed for members to start with the most cost-effective and safest medication before progressing to more costly or risky therapies. With Step Therapy, members are required to take a Step One medication before trying a Step Two medication. For more information, call 800-771-4648 and speak to a pharmacy benefit advisor.

BIC Align Program:

The *BIC Align Program* is designed to reduce Prescription Drug out-of-pocket expense for the Covered Person and Plan costs on certain Specialty Drugs at "BIC" (best in class) Specialty Pharmacies by maximizing manufacturer Co-pay assistance for conditions requiring Specialty Medications such as Hepatitis C, HIV, Inflammatory Conditions and Multiple Sclerosis. The Covered Person will pay no more than the Brand Name drug flat Co-payment for Specialty Drugs when active in the program.

What if I have more Questions?

We want to help you! We highly encourage you to call an ELIXIR Benefit Advisor at 800-771-4648 or visit our website at www.elixirsolutions.com. In addition, if you encounter any issues when visiting your local pharmacy, please ask the pharmacist to call us so we can assist them right away!
