CATs	Jo Harrington	<ul style="list-style-type: none"> <li>• CATS as of 24-August-SUMMER 2010</li> <li>• CAT form 8-24-10</li> </ul>	Since we calculate what percentages of courses complete CATs (by CRN), we need a working definition of a course. This was updated.
CAP	Ange Sullivan	<ul style="list-style-type: none"> <li>• Course Assessment Timeline</li> <li>• CAP Premise-DRAFT</li> </ul>	<ul style="list-style-type: none"> <li>• Update/Proceed</li> <li>• Pre/Post Test Discussion</li> </ul> After a lengthy discussion it was determined that a pre/post test over an entire course is not a CAT and an e-mail will be sent out to clarify the difference.
