OTHER RESOURCES

PUBLISHER AND LIBRARY INFORMATION FOR ONLINE TRANSITION

Publisher Info to Access Ebooks:

Publishers have acknowledged the need for ebooks at this time and have responded to this need by many opening up options to access ebook resources. **I want to note here that all faculty need to keep in mind that the materials outside of the ebook that they are providing is a marketing opportunity.** You can ask for grading and homework systems or other resources to be turned off or hidden and I would recommend that you do so. Even though the following publishers are giving us the needed access we need to move ebooks online, this is not a time to try or implement new course design options that have not been used before.

Try to keep it simple!

The following is information provided by the publishers on how to access the opened material. My recommendation is to start with Vital Source as it is an ebook option only that can easily be downloaded by the faculty and the students without the additional course design options. If you cannot find your text here than move onto the publisher that you use.

Vital Source –

Multiple publisher textbook options that are available to download

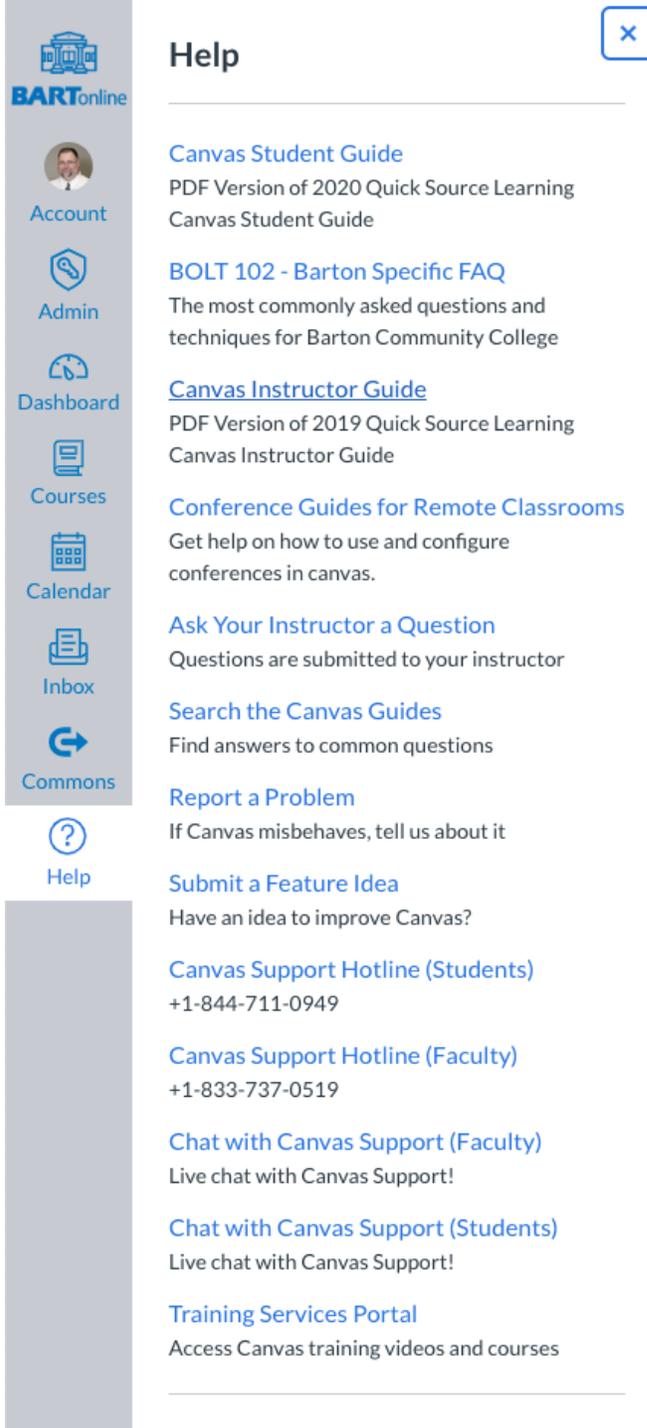

- Sign up instructions
 - o <https://get.vitalsource.com/vitalsource-helps>
 - o Scroll down to the bottom and click on Bookshelf login
 - o Create an acct – fill in information
 - o Confirm email from Vital Source Bookshelf
 - o A purple, brown, and orange page should show up with “Vital Source Helps” at the top
 - o Click on the blue “explore” button
 - o Most of these texts should be free till May 25th
 - o Please verify that your text is present before sending information out to students. If your textbook is not here work through your publisher to get an ebook option if available.
 - o Students will need to use their Barton email to get access to texts.
 - o Students will be able to use this resource for multiple class and download up to 6 textbooks.
 - o Again this is till May 25th and these are borrowed
 - o Additional resource for help with acct creation - <https://support.vitalsource.com/hc/en-us/articles/360044467674-Student-and-Instructor-Frequently-Asked-Questions>
