

Policy 1175 – Campus Safety

Barton Community College provides for a comprehensive learning environment and is committed to the success of each student. Essential to our commitment is the safety and security of our students, employees, guests, and visitors.

It shall be the responsibility of the Campus Safety Department to help preserve the peace, prevent crimes, detect and report violators, protect life and property, and to see that the laws of the State of Kansas, and the safety policies and procedures of Barton Community College are enforced on the Barton County campus.

Any student, employee, guest, or visitor who witnesses a crime, or identifies a potential hazardous situation is encouraged to contact the Campus Safety Department at 620-792-9217 or [File a Report](#).

Approved by: President
