THE BARTON EXPERIENCE

What our students say ~ from our Barton Difference

RICK BEALER

Instructor of Psychology

Mr. Bealer makes a conscious, daily effort to make the classroom not only fun and enjoyable, but also a welcoming and safe environment. I am eager to go to his class as opposed to feeling as though it is a chore. Mr. Bealer acknowledges all of his students often, which allows each student to know his or her worth. Mr.

Bealer is a fun and caring professor - a true asset to Barton Community College.

*Nominated by
DALLAS MUNDEN*

ANGIE MADDY

Dean of Student Services

Like many other Barton employees, Angie Maddy wears many hats. However, in my opinion, the hat she wears best is the one she wears while making sure Barton students are being taken care of. She will not stop working until your needs are met and you feel content. Also, you can always

find her around campus supporting every Barton organization, which is very inspiring to me. Angie is my academic advisor but also my role model. She has made my experience at Barton great, which is one reason

I'm having such a hard time leaving this amazing institution

*Nominated by
KAMI MAXWELL*

KARYL WHITE

Director of EMS Education

Karyl was not only my instructor for the last 18 months; she was a mentor. Her tireless efforts while my wife and I were going through a very rough time in our lives, proves that she stands well above her peers in being a dedicated educator. I would not have succeeded without her constant motivation and influence. I have been waiting and dreaming of achieving my

goal of a degree and she not only facilitated that; she pushed me not to give up. I not only respect her as my teacher, but I am proud to have had the opportunity to be taught by her. The amount of time and dedication that I know she gives to all of her students makes her one of the best educators that Barton Community College has.
