

BARTON
Music

Old version - Rapier font

Certain words/letter combinations, Rapier is difficult to read.

BARTON MUSIC

New version - Music too short to go underneath Barton, so it goes to the right. Makes it difficult to use at times because it is too long. If it is reduced, it is too small.

DIETARY MANAGER

Dietary Manager long enough to be placed under Barton, but can cause problems with embroidery and printing on small, promotional items.

Embroidery - current design requires enlarging program name and making letters bold. This happens on every program (and COMMUNITY COLLEGE on wordmark.)
