## EMS EDUCATION

## WHAT DOES BARTON OFFER?

- » One of only seven accredited paramedic programs in Kansas.
- » Barton offers course work at all levels of pre-hospital emergency care: EMR, EMT, AEMT, and paramedic.
- » Barton also offers classes for those pursuing Instructor/Coordinator certification.
- » Barton focuses on rural and hard to reach students.
- » Our faculty and staff put student learning first.
- » Classes are offered at a variety of sites for training and multiple start dates for student convenience.
- » Barton is a pioneer in online education: Hosted the first hybrid paramedic class in Kansas and continues to promote and use online education opportunities.

## CHARACTERISTICS OF A SUCCESSFUL EMS STUDENT

- » Passion for helping people.
- » Community oriented.
- » Likes a challenge and constant changing environment.
- » Ability to think outside the box.

## POSSIBLE EMPLOYERS/OCCUPATIONS

Ambulance services; flight services; hospitals; business and industry; universities; professional sports teams; and overseas adventures; Adult Healthcare Programs Coordinator.

Associate of Applied Science Degree  
68 credit hours  
Certificate  
52 credit hours

View curriculum guides at [emsclasses.bartonccc.edu](http://emsclasses.bartonccc.edu)

### Outreach & Transfer

K-State at Barton: Emergency Medical Services - Paramedic and Technology Management

### College to University

Barton has agreements with four year colleges that specifically direct your studies in certain programs for seamless transition from Barton to the transfer school. If you plan to attend Barton and then transfer to a four-year school, please consult with your advisor regarding classes to take at Barton to help you in a smooth transition to your four-year transfer school. Students should also contact the college/university to where they are transferring concerning degree requirements within the appropriate department or college

## FIELD OPERATIONS

- » Spring EMT class has the opportunity to participate in a day of Field Operations: Realistic scenarios with moulaged patients.
- » Students transport their patients using ambulances to a mock Emergency Room where they are released to nursing staff.
