

“Let Your Life Speak”

For 50 years our loyal and generous donors have let their actions speak loud and clear, creating a legacy for future generations. As the Foundation reflects on its 50th Anniversary we wish to acknowledge the contributions of each and every one to our success and growth!

We never take for granted the loyalty and support of all the communities the college and foundation serves.

On behalf of the faculty, staff and students of Barton Community College we salute your Generous Spirits and Open and Caring Hearts.

THANK YOU!
