BUSINESS

## WHAT ARE THE OPPORTUNITIES?

- » Two-year Associated of Applied Science work-force-focused degree (not meant for transfer).
- » Prepares students for entry-level or lower level management positions.
- » Today's managers must have a blend of management and leadership skills.
- » Provides students with a general broad-base knowledge of business concepts.
- » Program is great for current employees in the workforce to refine their skills and to become better employees.
- » Coursework includes: management, ethics, leadership, customer service, human relations, entrepreneurship, Spanish for the workforce, Marketing and computer concepts.

## WHY BARTON?

- » Instructors will know student's names and their individual learning goals.
- » Small classes with one-on-one attention.
- » Barton instructors take students on community business tours to network with business owners and expand knowledge.
- » Instructors have industry connections and will help students make the transition to the workforce.

## CERTIFICATE PROGRAM AVAILABLE - ENTREPRENEURIAL EMPHASIS

- » Entrepreneurs are vital to economic growth.
- » Entrepreneurs start businesses that hire people, pay taxes, create demand for their product and services which creates more jobs, develop new technologies and instill confidence in people.
- » The economy needs entrepreneurs and this program is here to help them create, develop, manage and grow businesses.
- » 18-hour certificate program includes everything students need to start and grow a business, including understanding entrepreneurship, general accounting, supervisory skills, management processes and customer service.
