BARTON

AGRICULTURE

CAREER INFORMATION

Agriculture, like any major industry, needs skilled office professionals and management proficient in business practices. Agriculture also needs office professionals and management with an understanding of crop and livestock production practices, not simply management skills.

The demand for trained agribusiness professionals is strong in today's complex business environment. This two-year degree provides graduates the necessary background for employment across a wide range of jobs in the public and private sector.

YOUR CREDENTIAL OPTIONS

Associate in Applied Science Degree (2 year degree-non-transfer)
