BARTON
SAFETY

ABOUT THE PROGRAM

Occupational Safety & Health is a highly comprehensive and intricate profession. It involves identifying workplace hazards, assessing the risks associated with job tasks, preparing for safety audits, reporting correct and accurate information to the Department of Labor or more specifically the Occupational Safety and Health Administration (OSHA). The objective of this program is to provide students and current safety managers skills required to perform at various levels within the safety management field. A student may receive credit for work experience, military experience, military schools and civilian education. Credits are awarded based on the American Council on Education ACE Guide.

Barton courses are approved for:

- » American Board of Industrial Hygiene (ABIH)
- » Certified Industrial Hygiene certificate maintenance (CM) points
- » Certified Safety Professional (CSP) may earn continuance of certification (COC) points; CHST's and OHST's may earn certificate of maintenance points (CM) points
- » Continuing Education Units (CEU's)

Certificates

The one-year Certificate Program offers a shorter program to students looking to get into the career field of Occupational Safety & Health. Successful completion of the Certificate program requires a minimum of 18 credit hours.

The Occupational Safety & Health Industry Certificates (Specialist in Safety & Health) program provides the opportunity for students to gain the skills needed to perform the required duties within the field of safety management.

Associate in Applied Science Occupational Safety & Health (64 Credit Hours)

The degree requires a total of 64 credits, 15 of which must be completed with Barton.

ADVISING

Academic Advisors generally work by appointment, however they do accept walk-ins. New students seeking a preliminary degree plan to be written should bring to the appointment/walk-in copies of transcripts from prior colleges and universities, CLEP/DSST, AARTS, ERB, or DD-214 and certificates of all employer based training they want to be evaluated for credit.

COLLEGE PROGRAMS

Evening College that consists of both Hybrid and Non-hybrid classes for both civilian and military students that meet three hours each class, two days a week for eight weeks or once a week for three hours and then online. The cost for these courses is \$112 per credit hour.

BARTonline

Online courses give our students the opportunity to complete many Barton programs from anywhere in the world. BARTonline.org courses are offered in 15 sessions starting throughout the year in 4, 6, 8 and 16 week formats, all for only \$150 per credit hour. (Prices subject to change.)
