Dear Dr. Heilman:

I wanted to take a moment to let you know how grateful we are for the support and community service given to our agency by your athletes and coaches. In particular, I want you to know that Dave Schenek and his athletes have gone above and beyond over the last year.

Coach Schenek and his track athletes have assisted us in stuffing envelopes, moving furniture, cleaning the donation area, setting up displays for events and many other tasks that have been incredible helpful. Coach Schenek has been an active participant in the Walk A Mile In Her Shoes fundraiser as well as the Make A Movement fundraiser where Coach Schenek is a member of the event committee. Coach Schenek, his assistant coaches and athletes are truly shining examples of selfless service.

The Family Crisis Center, Inc. considers Barton Community College a partner in the work of both the Domestic and Sexual Violence Center and The Dell Hayden Memorial Child Advocacy Center. Through the work of these coaches, their athletes and BCC we are able to provide comprehensive services and create a safer community for all.

Please accept my heartfelt appreciation for the work of Dave Schenek and the continued support from Barton Community College faculty, staff, coaches, athletes and students.

Most Sincerely,

Laura M. Patzner
Executive Director
